

## **PATIENT PASSPORT EXPRESS® (PPE) LTE**

The Patient Passport Express® (PPE) LTE provides a patient check-in experience that is ideal for patients who stand over six feet tall or are in a wheelchair. With a 40-inch range of vertical motion and private audio capability, this patient check-in kiosk redefines the industry and far exceeds ADA guidelines.

The adjustable PPE LTE is a slimline version of the full PPE. It incorporates a sophisticated mix of materials and surfaces, allowing the kiosk to be integrated seamlessly into existing decor.
