

# Charging Lockers

Discover a whole new experience.

If you're looking for the ultimate in quality and customer experience,

## MEET THE CHARGING LOCKERS.

The CTS Charging Lockers provide visitors a secure option to charge their devices. With separate lockers for both phones and tablets, each locker is equipped with cables for charging, in addition to an individual lockpad. Users plug their device in a locker, enter a custom 4-digit code, and let the device charge worry-free. By providing a secure charging option, visitors are free to leave the waiting area, with the peace of mind that their phone will be charged when they return.
